WHERE WORK ENDS. FUN BEGINS.

Presenting Spaze Palazzo, a distinctive blend of business and upper crust lifestyle. Spaze Palazzo is an “integrated commercial park” with an ultra modern business center, multi-cuisine restaurants and retail outlets. The second floor up to the twelfth floor is dedicated to business, while the ground floor and the first floor are designed for shopping and entertainment.

MADE FOR CORPORATES. MEANT FOR ESCAPADES.

An evening seminar suddenly crops up on Friday and you have to buy a new tie, or for that matter, buying that corporate gift comes to your mind at the last moment. Again, imagine that you have plans for shopping and the nearest retail outlet is 10 km away not to mention other difficulties such as finding a parking space. Wouldn't it be wonderful if there was a shopping center downstairs! That's Spaze Palazzo for us.

LEFT BRAIN APPEAL. RIGHT BRAIN APPEAL.

With a number of ground breaking projects, Spaze aims to lead the world's hottest real estate market with its space-age architectonics.

The futuristic Spaze Palazzo is an example of world-class design maintaining the perfect balance between aesthetic sensibility and functional efficiency. All in all, Spaze Palazzo is the best of both worlds.

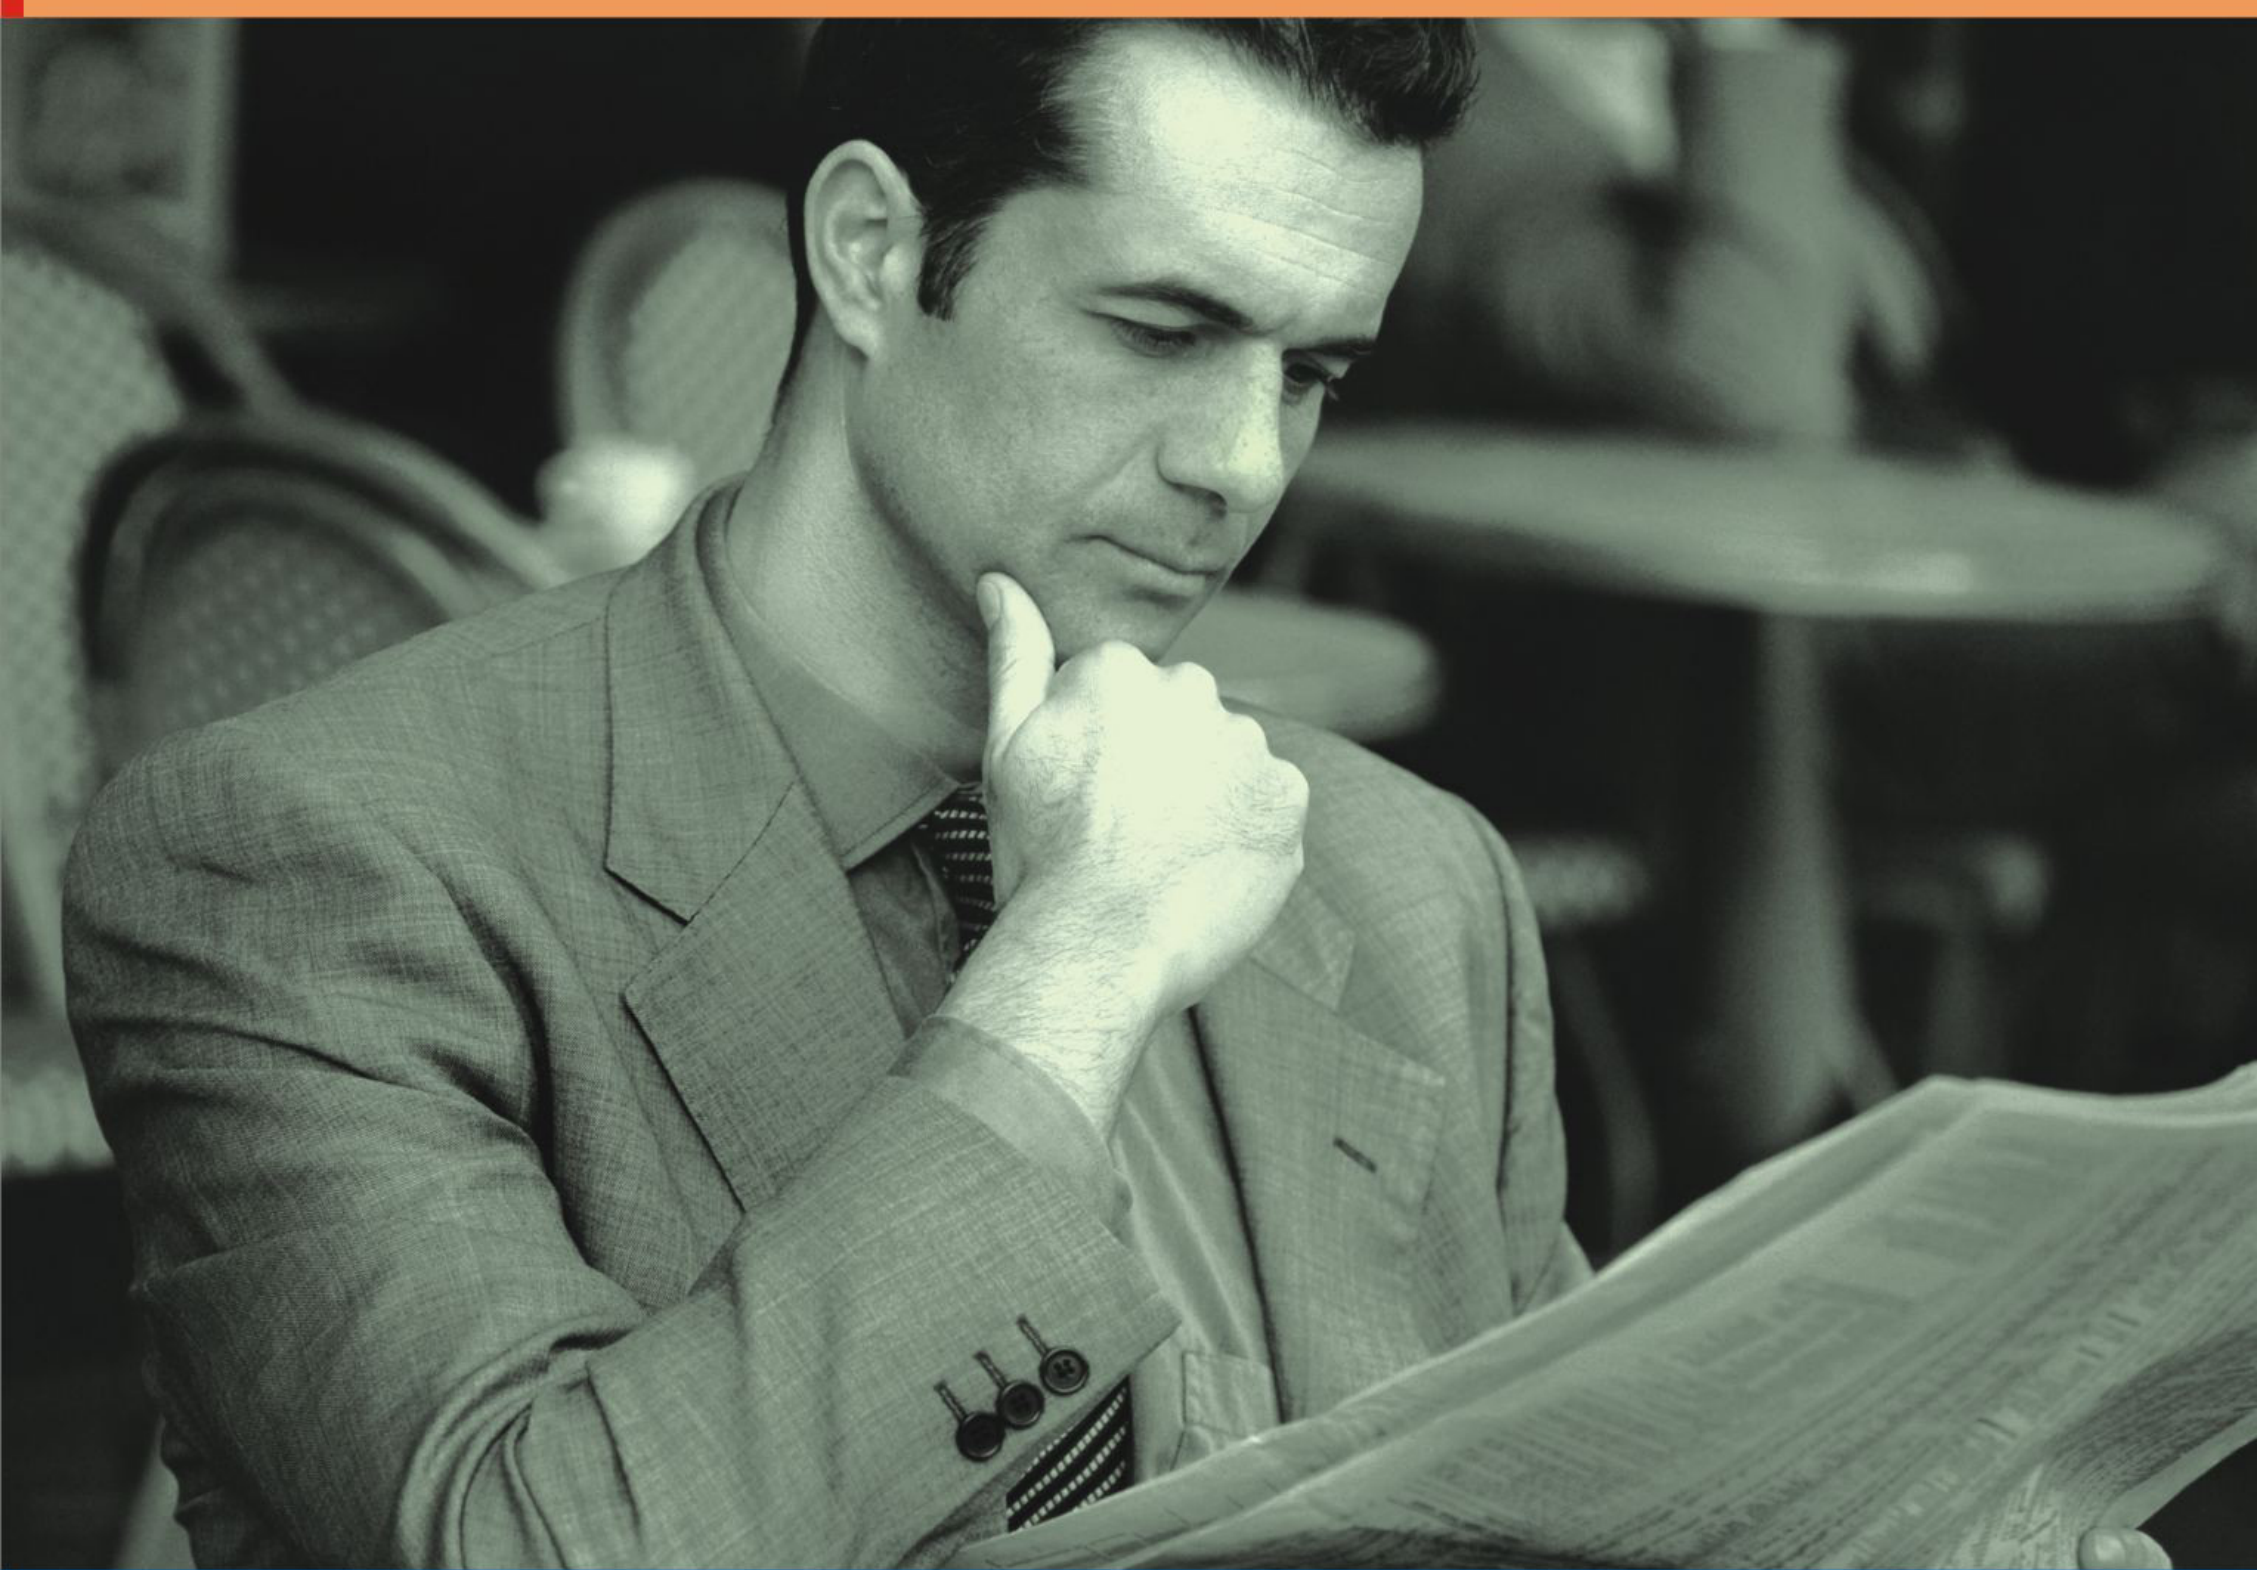

CLOSE TO BUSINESS. CLOSER TO PLEASURE.

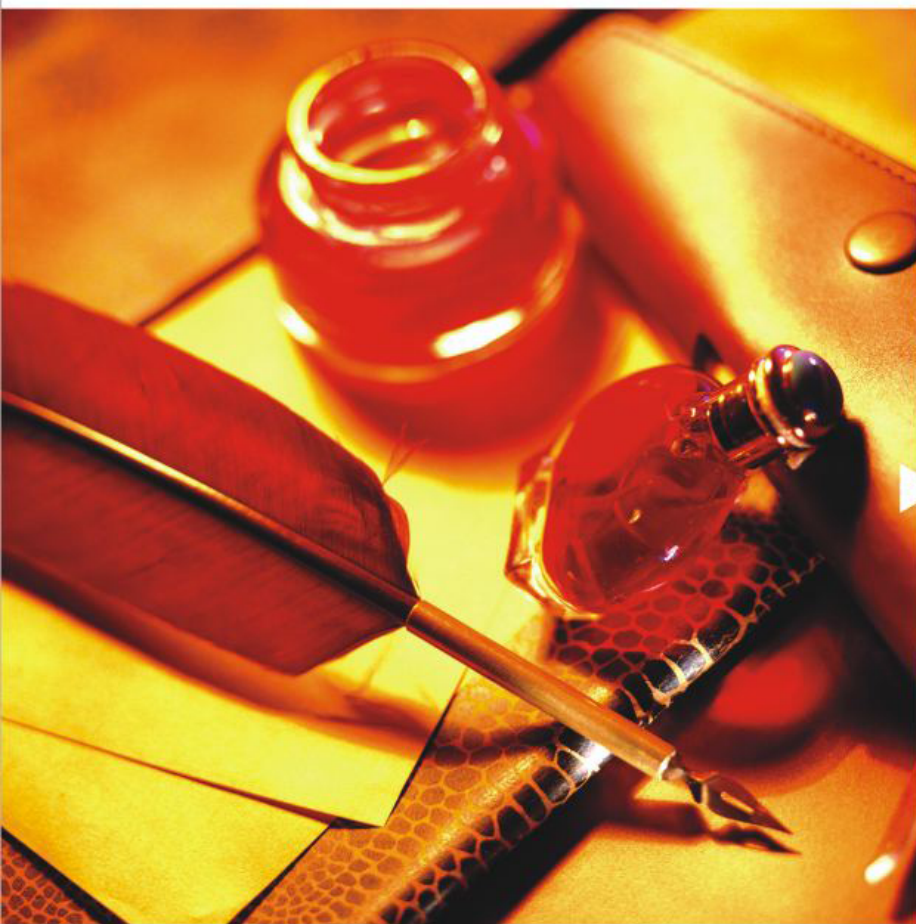

Spaze Palazzo is ideally located on the 150 m peripheral road in Sector 69, Gurgaon. With a multi pronged approach, Spaze Palazzo is accessible through the proposed metro rail corridor and from NH8 through a triple access on the proposed six lane Sohna Road highway and the new semi-circular peripheral link road emanating from the golf course and culminating at NH8.
