## **AMR The Great Adventure Mall**

### **India's BIGGEST Mall**

#### **Adventures**

##### **Helicopter Joyrides**

Visit the Great Adventure Mall and enjoy the life time experience of helicopter joy ride. Feel the excitement as the helicopter blades whirl into action above you and watch the ground rush away as the helicopter takes off into the air for a thrilling ride. This helicopter joy flight is the perfect opportunity for you to see the city from a different angle. This flight offers some great photo opportunities that are not to be missed!

##### **5 D Theatre**

In a 5 D theatre you will not only experience the movie in 3D but you will also experience seat movements, water, fog, wind and feet tickling. You will feel that you are present live over there.

##### **Themed Restaurants**

The Great Adventure Mall invites you to visit the Theme restaurants where the ambience, food, music, and overall 'feel' of the restaurant is based on the theme. We have Rain Forest Cafe, where you will feel that you are sitting in the rain forest itself. As you enter the jungle is alive with bird cries, parrots squawking, monkeys screeching. You will be excited to be a part of this experience.

##### **9 Hole Golf Putting Range**

It's an indoor golf course first time in India. The benefits of having an indoor golf course are obvious. There would never be a day too rainy, too snowy or too hot to play. A person could practice year-round and in climates not usually conducive to golf.

##### **Ice Skating Rink**

It's the coolest place to hangout. This is a great opportunity for families and friends to get out on the ice and have fun skating together.

### **Artificial Beach**

Not everyone can have the luxury of experiencing a day at the beach. If you can't go to the beach, then you'll just have to have the beach brought to you. We present this artificial beach for you in the heart on Noida. In this beach, once every hour, on the hour, the surf is always up. Every afternoon is a carnival. Mechanized parrots squawk from branches of the dome's ingenious rain forest, which remain lush and tropical without rainfall of humidity. Best of all, in this beach, you can lull for hours on crushed marble pebbles without a worry about beach vendors, bugs or sun burns. perfectly-timed waves whip equally well-groomed surfers along in 28-degree, chlorinated, salt-free water water to the sanitized shore where they drip-dry in beach's perfect climate.

### **Zorbing**

It is the recreation of rolling downhill in an orb, generally made of transparent plastic. Zorbing is generally performed on a gentle slope, but can also be done on a level surface, permitting more rider control. It is so fun that you will definitely do it again.

### **New York Film Academy**

The Film Academy was founded on the philosophy that "learning by doing" combined with best industry practices is more valuable than years of theoretical study for filmmakers and actors. This educational model allows students to achieve more in less time or acting schools in the world.

### **Wax Museum**

It has a collection of wax sculptures representing famous people. It is one of the most famous tourist attractions. You would love to see your famous stars in wax sculptures. For the first time we are having this wax museum in India.

### **Laser Sound & Light Fountains**

There has been a world of fountains including musical fountain, dancing fountain, dynamic and interactive fountains, water features and floating light fountains. It will be a delight for your eyes and ears.

### **Pugmark Adventure**

A very unique range of ultra luxury, five star tents are here for you to enjoy the camping experience. With top class facilities these tents have unique features. It will be relaxing vacation for you. You would love the real experience of living in a luxury tent.

### **Rappelling**

Rappelling is a technique that allows you to do a controlled descent down to do a controlled descent down a rope from a cliff. This is a sport for the people who love the adventure. Rappelling is not just the process of sliding down the rope, but also incorporates a lot of other climbing skills including creating anchors, tying knots, rope management, rigging the rappel device, using safety back-up systems, and retrieving the rope. We will make sure you rappel safely.

### **Hot Air Ballooning**

Enjoy an amazing ballooning experience with spectacular views. Whether you want a romantic getaway hot air balloon ride, a surprise elegant dinner combined with a hot air balloon flight, a special birthday or anniversary ballooning ride. It's a great experience. You will love this ride.

### **Reverse Bungee Jumping**

Unlike the conventional bungee jump, where thrill seekers leap off a bridge while tied to a bungee cord, riders of the reverse bungee jump are catapulted into the air, experiencing an adrenaline rush like they had never before in India. It's a great fun which you have never experienced.

### **4x4 Drive**

Four by four drive is a four-wheeled vehicle with a drivetrain that allows all four wheels to receive torque

from the engine simultaneously. We will make sure you will have safe drive. You will experience the adventure worth remembering.

### **Insect, Butterfly & Bird Park**

Butterflies, reptiles, insects, our fantastic birds will ensure your visit is fantastic and educational. Children will have a fun filled time. We have herb, bee and butterfly garden for the visitors to enjoy. We have many attractions for everyone to explore and experienced.

### **Shooting Range**

A shooting range or firing range is a specialized facility designed for firearms practice. If you want to know where to practice target shooting this is the place. Print out free targets, get up to speed on the basics of firearm safety. You will love the experiences.

### **Zero Gravity**

For the first time in India we present Zero Gravity. It is a great Experience to be without gravity. You will actually feel what the astronauts experience in space. It is also called weightlessness or freefall.

### **Shooting Floor**

This is a place for those who actually love film making. Film set along with camera and shooting floor are set up for you to enhance your skills. Shooting is exciting and you will love the experience.

### **Para Motor**

The latest concept in military flight and high-altitude recreational sports, the PARAMOTOR is foot-launched from the ground, self-contained, and worn like a back-pack. The PARAMOTOR is build from the highest quality aircraft materials to military specifications and learning to fly takes only a few days and requires no pilot's license. It's a great adventure and is launched first time in India.
